TRAINING OBJECTIVE:

The IRWA, with funding from the USEPA, is conducting this session on filtration and line locating.

This session is for all operators and decision-makers that are responsible for the operation of a public water supply.

All materials will be furnished for this session.

3.00 actual hours of training will be awarded for this session.

This is an at-no-charge training session.

This course has been approved by the IEPA for operator certification renewal training hours.
