

TRAINING OBJECTIVE:

The IRWA, with funding from the USEPA and NRWA, is conducting this session on Auto Flushing, Sampling, and Water Loss at no charge.

This session is for all operators and decision-makers that are responsible for the operation of a public water supply.

All materials will be furnished for this session.

4.00 actual hours of training will be awarded for this session.

This is an at-no-charge training session.

This course has been approved by the IEPA for operator certification renewal training hours.
