

The City of Farmer City, Illinois is seeking a Public Wastewater Operator to conduct, manage and administer the activities of the Wastewater System. These activities include maintenance and repair of the City's infrastructure, sanitary sewer collection and treatment systems. Candidates must be certified as an Illinois EPA Class 2 Wastewater Operator or be able to obtain certification within 12 months of hire. In addition, candidates must have a valid Illinois CDL Class B driver's license. The successful candidate will possess a high school diploma or equivalent, with thorough experience in this area, or any equivalent combination of training and experience. The salary range is \$52,000 to \$70,000, depending on qualifications.

Qualified individuals should submit a resume or application with a letter of interest and resume to: City of Farmer City in care of Austin Edmondson, Interim City Manager, citymanager@cityoffarmercity.org, or 105 S Main St, Farmer City, IL 61842. The City provides an excellent benefits package, including medical, dental and life insurance, and participation in Illinois Municipal Retirement Fund. Offers of employment are subject to successful completion of background check, drug screen, and physical. This position will remain open until filled.
