Provide summary of drinking water related training: This workshop will explore the role of partnerships in addressing TMF and financial management issues for small water and wastewater systems. The first part of the session is focused on evaluating different types of partnerships and how they can help your system. The second part will focus on the role of financial benchmarking and asset management in preparing for partnerships. The final part will be an update on current funding initiatives, including the Bipartisan Infrastructure Legislation and Inflation Reduction Act.			

**Effective 7/1/2012, you must include Course ID Number on this form or it will be returned. Until 7/1/2012, if not known, leave blank.*
