**Oblong Community Building
202 South Range Street
Oblong, IL 62449**

TRAINING OBJECTIVE:

Illinois Rural Water Association, with funding from the U.S. EPA, through a partnership with NRWA, is conducting this no cost training program. Sessions will include information on water plant treatment technology, distribution system water quality management and nitrification action plan implementation.

The intended audience of this program is Illinois public water supply officials including operational staff and decision-makers.

All necessary materials for the sessions will be furnished at the time of the program.

This course has been approved by the IEPA for 3 hours of operator certification renewal credit.

This is an at-no-charge training program!
