## TRAINING OBJECTIVE:

Illinois Rural Water Association, with funding from the USEPA, through a partnership with NRW, is conducting this no cost training program. Sessions will include information on Wastewater Microbiology, Laboratory Management, and Operator Do's and Don'ts for DMR entries, sample collection and analysis.

The intended audience of this program is Illinois public wastewater and water supply officials including operational staff and decision-makers.

All necessary materials for the sessions will be furnished at the time of the program.

**If you wish to attend virtually, then please include your email address to receive a Zoom invitation.**

**This course has been approved by the IEPA for 3 hours of operator certification renewal credit.**

**This is an at-no-charge training program!**

**NO PHONE  
REGISTRATIONS ACCEPTED**
