

Quarterly Informational Webinar:

Environmental Protection Agency's (EPA) Water Technical Assistance (WaterTA) — Helping Communities Address Their Water Challenges

September 10, 2024

2:00–3:00 PM ET

Every community deserves access to clean, safe and reliable water. Yet too many communities across America struggle to address their water infrastructure needs.

EPA's Water Technical Assistance connects communities with free expert support to find solutions to their drinking water, wastewater, and stormwater challenges.

Join us on September 10th, 2:00pm ET, for our quarterly WaterTA informational webinar. The agenda will include:

- What is WaterTA
- How to request assistance
- Community Spotlights from WaterTA initiatives Closing America's Wastewater Access Gap and Engineering Support

For more information on WaterTA, please visit www.epa.gov/WaterTA.
