**Certified Stenner Chemical
Feed Pump Technician
Training**

DATE: January 10, 2024

**Congerville Village Hall
Lincoln Street
Congerville, IL 61729**

TRAINING OBJECTIVE:

Illinois Rural Water Association, with funding from the U.S. EPA, through a partnership with NRWA, is conducting this no cost training program. This session will include classroom and hands-on training. **Please bring any pumps which you need to service or rebuild.**

The intended audience of this program is Illinois public wastewater and water supply officials including operational staff and decision-makers.

All necessary materials for the sessions will be furnished at the time of the program.

Lunch will not be provided, so please plan accordingly.

If you wish to attend virtually, then please include your email address to receive a Zoom invitation.

This course has been approved by the IEPA for 3 hours of operator certification renewal credit.

AGENDA

8:30—9:00 Registration/Welcome

9:00—12:00 The training will provide an overview of peristaltic pumps, and history and applications for peristaltic pumps. The training includes properly sizing pumps, and the basic maintenance and repair for Stenner Classic Series, Econ Series, and S-Series pumps including connecting via 4/20ma. Participants will have the opportunity to become a "Certified Stenner Technician" during this seminar.

Please bring any pumps which need service for the hands-on portion of this training.

Mike Pontrelli, Regional Sales Manager,
Stenner Pump Company

12:00 Adjournment

Please provide your email address below if attending via Zoom in order to receive the link for the meeting.
