### TRAINING LOCATION

Village of New Baden  
O.W. Billhartz Civic Center  
100 E Birch St.  
New Baden, IL 62265

### TRAINING OBJECTIVE

Illinois Rural Water Association, with funding from the US Rural Development, through a partnership with NRWA, is conducting this no cost training program. Sessions will include information on Emerging Contaminants in Water and Wastewater.

The intended audience of this program is Illinois wastewater and water treatment officials, including operational staff and decision makers.

All necessary materials for these sessions will be furnished at the time of the program. This course has been approved by the Illinois EPA for **3 hours of water and wastewater treatment plant operator certification renewal credit.**
