### TRAINING LOCATION

Village of Woodhull  
Municipal Building  
150 N Division St.  
Woodhull, IL 61490

### TRAINING OBJECTIVE

Illinois Rural Water Association, with funding from the U.S. EPA, through a partnership with NRWA, is conducting this no cost training program. Sessions will include information on Wastewater Sample Handling / Discharge Monitoring Report tips, Sludge surveys for lagoon systems, Funding options for Wastewater projects.

The intended audience of this program is Illinois wastewater treatment officials, including operational staff and decision makers.

All necessary materials for these sessions will be furnished at the time of the program. This course has been approved by the Illinois EPA for **3 hours of wastewater and 1 hour of water treatment plant operator certification renewal credit.**
